OUR STORY

After opening our doors in 1953, L.C. Vending Co. began to serve the greater San Antonio area the **best refreshment services the market has to offer.**

After over 70 years of experience, we have mastered the **art** of customer service, **seamless** installations, **premium** product selections, and supplying our customers **everything they need** in their break room.

OUR CORE VALUES

WE BELIEVE IN GIVING BACK

We have partnered with the San Antonio Food Bank and donate any extra food we produce here at L.C. Vending Co.

WE ARE ALIGNED WITH FITCITYSA

We offer a wide selection of better-for-you options that promote healthy lifestyle choices.

WE ARE A VETERAN-OPERATED BUSINESS

Our owner, Egan Little, honorably served our country and is now using his leadership expertise to benefit the businesses of San Antonio.

WE PUT THE "FRESH" IN FRESH FOOD

We are the only San Antonio Vending Service Provider to have an in-house kitchen.

WE ARE A PROUD MEMBER OF NAMA

Being a NAMA member helps us serve the San Antonio area with the best of the best product selections and service solutions.

WE GO ABOVE & BEYOND FOR EVERY CUSTOMER.

ANYTHING YOU CAN EAT AND DRINK, WE HAVE IT. IF THERE IS ANYTHING ELSE YOU HAVE A TASTE FOR, WE CAN GET IT.

-LOFTON S. LITTLE, FOUNDER & OWNER

Our team is built on the **foundation of hardworking employees** who serve their community every single day—no matter the challenges we all face.

MICRO-MARKETS

Every one of our micro-markets is **one-of-a-kind**. Our tailored layout designs are created with your company's break room in mind to **maximize** space and satisfaction. Since no two companies are alike, we offer a wide variety of products that are **personalized** and specific to your wants and needs. Our high-tech coolers and self-checkout kiosk will let us know when you need a refill on popular products, so you **never run out of your favorites**.

VENDING

Whether you're looking for snacks, beverages, fresh foods, or frozen foods, we will **craft the perfect vending service** for you! We offer a wide range of delicious refreshments that are sure to satisfy every craving in your office.

3 TYPES OF VENDING SERVICE: WHICH IS RIGHT FOR YOU?

TRADITIONAL VENDING

SUBSIDIZED VENDING

FREE VENDING

BEVERAGES

Create your **ideal beverage vending service** with L.C. Vending! Our product selection is second to none, and we even offer local favorites like Big Red Soda. Refresh your employees today with the best drinks in San Antonio.

SNACKS

Get the best of the best traditional and healthy snacks from L.C. Vending! We work alongside FitCitySA to offer a selection of well-rounded products that **support healthy habits**. You can even have the machines wrapped with your own branding for a cohesive break room look.

FRESH FOOD

What's better for your employees than being able to stay onsite for their lunch breaks? Purchasing convenient **fresh food that's made right here** in our in-house kitchen in San Antonio! We use local ingredients and refrigerated equipment to provide your office with the tastiest, freshest food in town.

HEALTHY

Kick off your corporate wellness program by partnering with us for your San Antonio snack vending machine solutions. We can work together to build a tailored menu of fresh foods, snacks, and beverages that will **promote positive lifestyle choices**.

It is our mission to make sure your employees have the products they need to reach their goals. Thanks to our partnership with FitCitySA, your team can reinforce their healthy lifestyle on the busiest days with **convenient, nutritious options in the break room**.

MODERN MACHINES WITH INNOVATIVE TECHNOLOGY

Credit card and mobile wallet readers make grabbing a drink or snack on the go even more convenient.

Achieve eco-friendly service with our energy-efficient equipment that features sustainable LED lighting.

New smart technology allows us to monitor your inventory and ensure top-selling items never run out.

1 TOKEN = \$1

TOKEN REWARDS!

Reward employees with our token program! **It's easy to gift and even more fun to redeem**. These tokens act as an immediate form of payment in our vending machines, so it's easy to **recognize your best employees**. Simply provide a token to increase company morale, celebrate employee anniversaries, give a gift for employee birthdays, or simply recognize a job well done.

IN-HOUSE KITCHEN

We are proud to announce that we are the **ONLY** Vending and Micro-Market company in San Antonio to produce our **fresh food in our very own in-house kitchen**. This service sets us apart from other companies by having a hands-on approach to the fresh food we serve to our customers.

SERVING NATURAL, LOCAL INGREDIENTS IN YOUR BREAK ROOM

GIVING BACK TO OUR LOCAL COMMUNITY

OFFICE COFFEE

We partner with both national and local brands to give our customers the **best variety of blends** possible. Want to try something new? As a family owned and operated business, we can **source any product** without limitations.

From single cup service to large carafes, we are a **one-stop shop** for all your company's coffee needs. We offer a large selection of **state-of-the-art equipment** to handle even the highest demand of coffee & tea consumption in your break room.

WATER FILTRATION

- ✓ Water dispenser filtration systems available in standing or countertop models.
- ✓ Water filtration is a completely in-house service to give our customers the best price.
- ✓ Hot, cold or ambient dispensing options are available.
- ✓ We provide bottled water by the case if a filtration system doesn't suit your needs.
- ✓ Standing or countertop ice dispensers are also available to you with our services.
